- Access to 12,000+ job titles, career fields, and related university/college majors
- Job design and corporate culture fit
- Job search strategies and barriers
- Work style and Learning Environment preferences
- Risk taking, Leadership, and Team orientations
- Opening up narrow interests
- Focusing broad interests
- Sorting out inconsistent codes
- And much, much more!

You will receive: a certificate of programme completion, and full international Strong certification with the publisher.

Course Overview

The only online programme that certifies you to purchase, administer and interpret the latest revision of the most widely used career interest inventory in the world. You will cover:

- Frameworks for individual and group interpretation
- Holland's RIASEC theory of personalities and work environments
- History and construction of the Strong
- Basic testing and measurement concepts
- Reliability and validity
- Ethical guidelines and assessment issues
- Career development, career change, and job fit applications
- The latest in research findings and new product development

The programme includes brief interactive assignments, a quiz at the end of each module, and a culminating interpretation activity. We ask you to finish the programme within 90 days of your programme start so that you are building on previous learning and not having to re-learn every time you pick it up.
