Course Overview

The Team Emotional and Social Intelligence (TESI) Survey provides information on the current levels of emotional and social intelligence in the team from the perspective of the team members. It is an invaluable tool to enable a practitioner to start a dialogue with a team or organization regarding their strengths and development areas in the area of emotional intelligence.

The training aims to be practical, focusing on how to build emotionally intelligent teams, emotionally intelligent leaders, and employees who want to follow their leaders and produce results.
